

Kennedy 2018 Arizona Catholic Conference survey questions

Thanks for the survey you sent me. I am Sandra Kennedy, 602-881-3305, seeking election to the Arizona Corporation Commission as a Democrat. My campaign email is KennedyACC2018@gmail.com.

I reviewed your survey, but none of the questions relate to the specific duties of a commissioner on the Arizona Corporation Commission. My campaign platform is to stop the corruption at the Arizona Corporation Commission; to stop and/or reverse unjustified utility rate increases; and to make Arizona the solar energy capitol of the world.

If you can provide a different survey with questions and issues that relate to the specific duties of a commissioner on the Arizona Corporation Commission, I would be delighted to answer those and return it.

Thanks,

Sandra Kennedy
