**Subject:** RE: Arizona Catholic Conference Cadidate Survey

Hi Mary,

Thank you for writing and for calling. I apologize for not responding more promptly – I’ve been very busy resolving constituent requests for assistance with the State of Arizona. Both my assistant and I have spent very long days on these needs.

Regarding the Conference Survey, I have 20 years’ experience in public policy, and have served in the legislature for 10 years. That service reflects what I have done, as opposed to what they would say in a survey just to get elected. I have a robust voting record on issues important to Arizona Catholics. I am pro-life, pro school choice and sponsored the legislation increasing the charitable organization tax credit to its current levels.

In November, I am running against a progressive, pro-choice candidate who is one of a handful of Democratic candidates nationwide to be endorsed by Elizabeth Warren.

I welcome you to provide this statement to your membership. As you may have guessed by virtue of my maiden name, I was born and raised in the Catholic Church.

Please call me with any additional questions.

Sincerely,

Kate Brophy McGee

**Subject:** Arizona Catholic Conference Cadidate Survey

May 18, 2020

Dear Senator Brophy McGee:

Included with this email is the Arizona Catholic Conference’s 2020 Candidate Survey for the upcoming election season that was mailed to you on April 27, 2020.

The Arizona Catholic Conference (ACC) is the public policy arm for the Diocese of Phoenix, the Diocese of Tucson, the Diocese of Gallup and the Holy Protection of Mary Byzantine Catholic Eparchy of Phoenix. Please note that the ACC does not endorse or oppose candidates. The purpose of this survey is to inform citizens of candidates’ positions on key issues. We will publish the results of this survey on our website where it will be distributed to tens of thousands of households.
